Discovering the shocking kinks & fetishes of girls-next-door.

## Featuring: *Leana*

**From: Florida**
**Height: 5'0"**
**Bras: 34B**

"My kinks aren't exactly ordinary," Leana told us. "I used to see a guy who worked as a hypnotist, and he would put me into a trance, and I'd basically be his little sex doll. It was totally consensual, of course. He could click his fingers and tell me to get horny and my body would just comply. My panties would get soaked! It's a total trip…but it's also a lot of fun. I highly recommend it."

# Aimee

*Manchester, England*

Aimee is so cute and innocent looking, you might think this little princess is still a virgin. Well, that's not too far from the truth. "I haven't done that much with boys," Aimee told us. "There's been kissing and touching and some oral, but I'm dying to do more! I've fucked myself with a dildo, but I'm ready for the real deal. I want to know what it's like to get a creampie."

"I don't think of myself as a virgin because I've had sex with another girl. She's my mate from school. We started hanging out after classes, and then before classes, and then we just started spending all of our time together. Without realizing it, it was almost like we started dating. So, we figured we should hook up like we were dating, too. It was really fun, but I don't think I'm gay. It was just a fun way to spend a night."

### Suck it down, Aimee!

"I sucked my neighbors' cock once. I was worried when he came because my friends had told me that jizz is nasty. But, when my neighbor finally busted into my mouth, it was pretty good. It tasted like pineapples and salt."

This movie has amateurs in all shapes and sizes, from busty babes to barely legal flatties. Britt Blair's friends dared her to become an exotic dancer when she turned 18. She became addicted to showing off her taut body for horny men, so now she's trying it on-camera for the first time. There's not much to say about Josephine except, "Damn!" This all-natural babe has a set of knockers that will knock your socks off. She doesn't try to hide them like other girls, either. # Harper

*Dallas, Texas*

Redheads account for less than two percent of the world's population. So, when a coppertop tells us that she wants to pose nude for us, the first thing we ask is if she's all-natural. "Can't you tell?" Harper countered when we asked her, pulling up her dress and flashing us a glimpse of her ginger pubes. That's one way to show us that the carpet matches the drapes!

We asked Harper what type of porn she likes to watch when she masturbates. "I don't watch a lot of porn," she told us. "My imagination is better than any movie. I like really hardcore stuff. I've had guys spit in my mouth and pull my hair while fucking me, so that's something I'll think about when I touch myself. I also really enjoy thinking about getting fucked by a never-ending line of guys. Like, they're all standing there waiting for their turn."

## Backdoor action!

"I want to have an anal three-way with two guys. I recently started doing anal, and now that I really like it, it's time to take it to the next level. Anal appeals to the side of me that likes to try more extreme things."

**OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS**

## dip YOUR NUTS

Every once in a while we find something so wild, so innovative and so out-of-the-ordinary, we're actually stumped by whether it's sexy or not. That describes Balldo, a new sex toy from a company called Nadgerz Inc. Described as "the world's first ball dildo," it's a bit hard to explain. The basic breakdown is that it's a silicone pouch with open slits on the side. The user dips his testicles into the pouch, leaving his ball skin exposed through the slits, turning his nutsack into a dildo that can be inserted into a vagina. Apparently, the product is gaining a bit of a reputation. It won the Most Innovative New Product award at the XBIZ Awards 2022, an annual awards show for the adult industry. The designers of the Balldo claim that the average scrotum has nearly 6,000 nerve endings, similar to that of a woman's vulva, so it's entirely possible for a man wearing the Balldo to have a testicle-only orgasm. Or, as Nadgerz Inc. calls it, a "ballgasm." If the whole apparatus sounds too bulky, don't worry. The Balldo is a similar shape and has similar proportions of an average penis while remaining rigid and always hard. If you're interested in trying this contraption out, head over to www.Balldo.com.

How many women is too many women?

## Liars or SEXgods?

With all the money and fame in the world, celebrities have carte blanche to fuck as many women as they want. But, are they to be believed when their claims become outlandish and improbable? You be the judge.

**Wilt Chamberlain**, basketball player.
**Claim:** 20,000 women.
**Quote:** "I was just laying it out there for people who were curious."

**Ric Flair**, professional wrestler.
**Claim:** 10,000 women
**Quote:** "What I said was the truth, but I feel bad now that I said some of it. Ten thousand women. I wish I hadn't said that because of my grandkids."

**Charlie Sheen**, actor.
**Claim:** ~5,000 women.
**Quote:** "If you want me to take a wild guess, I'll say 5,000."

**Gene Simmons**, musician.
**Claim:** ~5,000
**Quote:** "I didn't do drugs in the crazy times but I did do sex. Did I sleep with 4,800 women? So they tell me. I did have the Polaroids to prove it, oh yes."

**John Oates**, musician.
**Claim:** 1,000+
**Quote:** "I'm sure it was thousands. I've lost track. If you didn't live through the '70s and '80s, if you weren't a rockstar during that time, there's no way you can comprehend what it was like."

**Hugh Hefner**, publisher.
**Claim:** 1,000+
**Quote:** "How could I possibly know? Over a thousand, I'm sure."

**Lamar Odom**, basketball player.
**Claim:** 2,000+
**Quote:** "There were too many strippers to count. It wasn't a big deal, but often I would pay them. I never thought less of them."

Meet Claire, a 21-year-old cutie pie who is as wholesome as a litter of puppies at a church fundraiser. Not! This LA kinkster is filthy, horny and ready to fuck at the drop of a hat. For example, we asked Claire what her perfect date night would entail. "I don't go on a lot of dates, but I guess I'd like to go get some dope food and then get facefucked until I cry. If he wants to fuck afterward, then I'd be down."

Claire told us that she wasn't always the rebellious, sex-crazed chick that we see here. "I lost my virginity late," she told us. "I was 20 when I popped my cherry. I was homeschooled and didn't have a big social circle. Plus, my parents were always breathing down my neck. But, once I got a little independence and started having sex, I was like a semi-truck without any brakes. Nothing could stop me!"

"My biggest fantasy would be doing double anal. I'm definitely going to do it someday. I did anal last year for the first time, and I was like, 'Whoa! Why didn't anyone tell me that it's this good?' I told the guy to stop for a minute and grabbed my dildo so I could play with my pussy while he fucked my butt. It was my first DP!"

### She loves the sauce.

"I really like the taste of cum. The first time I blew a guy, he came on my face and accidentally got it in my eye. It burned so bad! I thought I hated jizz for a little while. But I eventually got back on the horse and learned to love it."

Summer is a party girl who likes making Tik-Tok videos. She's comfortable showing off her body in skimpy outfits for total strangers to ogle. In that sense, she's the perfect candidate to suck and fuck on-camera for a porno magazine. She also loves cock. "One time, I spent an entire football game blowing a guy slowly while he watched," she told us.

We paired Summer up with a hung stud so that she could show us her moves. She didn't disappoint us. She's a pro at sucking cock, and her little slit is so tight and juicy looking, it had our photographer rock hard as he was shooting Summer's scene. "I'll take care of him, too," she told the production team. Unfortunately, that guy is married. "That's too bad. I always feel like fucking after I've been fucked," she said.

## Putting on a show.

"My favorite position is reverse cowgirl. I can control the pace and depth of the cock inside me. If there's a mirror on the wall so I can watch as I move my hips and play with my tits, it'll make me cum like crazy. I love seeing myself screw."

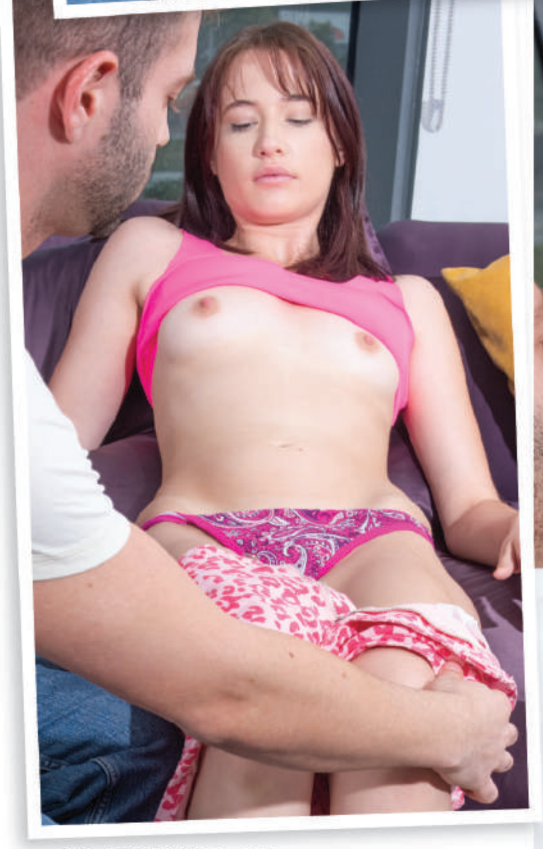
# Gracie

Denver, Colorado

College student Gracie is a good girl. In high school, she got good grades, played sports, had tons of friends and had a nice long-term boyfriend whom she loved. So, why's she here showing off her teenage body and getting her tight, pink slit pounded out for the whole world to see? "It sounded like fun," Gracie told us.



"I went and got my pussy waxed for the first time before I flew to Miami to see you guys," Gracie told us. "I wanted to make sure everything was nice and sexy for your stud. My ex and I decided it would be hot to shave each other one time. He did a pretty good job at trimming up my peach, and I got his cock and balls nice and smooth. But when we were fooling around later, I missed his fuzz! I like my boys with hair."

### That's a chain reaction!

"The most I've ever cum was just a few weeks ago. I hooked up with a guy from my dorm. I gave him head and he returned the favor by eating me out. But every time I came, he just kept going. I ended up having six orgasms!"

GRACIE

"I'm not interested in having a relationship right now," Gracie explained to us. "Like, not at all. I just want to date, have sex, go to class, paint a little and maybe go to see some live shows once I get a fake ID. I can see myself settling down and getting married and having kids in the future. If I don't party and get fucked silly by randoms in college, I think I'll regret it for the rest of my life, and I don't want that."

# Zoey, Megan, Raven

Miami, Florida

Zoey and Megan are open to some pussy eating, but they need a mentor, someone who really knows their way around a pussy. And who better to teach them than a hot bisexual MILF? Raven is in charge here as she tells these two tenderonies how to finger, lick and suck pussy. Then, they can break out the vibrators for even more fun!

Megan, the Latina teen, enjoys having her clit sucked on by her BFF. "Girls know their way around the pussy better than boys," she told us. "Well, they're better with their tongues. But, nothing beats a boy with a big dick." Zoey agreed with her friend. "Oh, totally! I can cum a bunch of times with girls. I might only have one when I'm fucking a guy, but it'll be a big one."

## What does the MILF say?

"I wish I had an older woman to show me sex tricks when I was 19. I grew up in a conservative household, and lezzie sex was seen as a taboo thing. I thought wanting to eat pussy and ass was wrong. Now, I know it's sexy and fun."

We asked Zoey and Megan what lessons Raven taught them in the bedroom. "I learned how to sense what a girl wants by listening to their moans," Zoey answered. "With a guy, he'll just say something like, 'touch my balls,' or 'move your hips faster,' or something. Girls aren't as direct." Megan told us, "I was kind of acting like a guy at first. I was licking Zoey's and Raven's pussies really hard. I learned how to be gentler and softer."

### PREMATURE EJACULATION WAS THE HOTTEST PROBLEM TO SOLVE AT THIS YEAR'S CES.

CES, formerly an initialism for Consumer Electronics Show, is an annual event held in Las Vegas. This year it was a bit smaller than usual due to COVID-19 concerns, but it still boasted 2,200 in-person exhibitors and many more online experiences for attendees. In addition to BMW, Roku, Intel, Samsung and many other high-tech compananies, five sexual health and wellness brands showed off their upcoming innovations. And, it looks like a lot of effort has been going into helping solve men's sexual issues. Three companies (Morari Medical, MYHIXEL, and Virility

Medical Ltd.) presented different approaches to help men last longer in the bedroom. The other two companies presented masturbation toys just for guys.

Virility Medical Ltd. is headquartered in Israel. The company claims to have produced the world's first wearable skin patch that is clinically proven to delay ejaculation. The product is based on muscle stimulation and is called the Virility Patch. The user places the patch, which has a low-profile butterfly shape, between his testicles and anus, right on the center of his perineum. This can be done immediately before intercourse or earlier in the evening, depending on how discrete he would like to be about wearing the product. Once he's ready for intercourse, the user presses a power toggle, causing contractions on the pelvic floor muscles responsible for

Calisyn works part-time and goes to school. She doesn't have a lot of free time to date. "It doesn't bother me because I'm more interested in my teachers than guys my age," she told us. "Let's put it this way: I like my professors, and they really, really like me. I love wearing low-cut shirts and skirts with no panties to class."

She's a perfect 4.0!

"I sucked a professor's cock during my freshman study program. After class, he pulled me aside and told me I had to pay better attention. I offered him a blowjob for a passing grade. He couldn't unzip fast enough! I hope I get his class again."

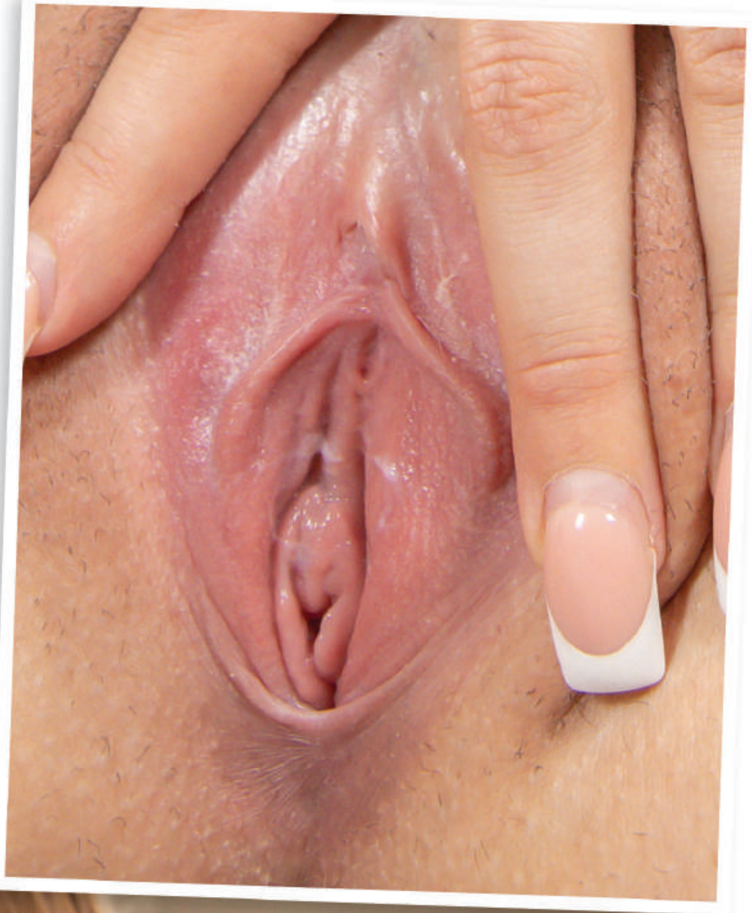
# Oksana

Kostanay, Kazakhstan

Oksana likes reading, taking walks in the park, working out, watching her favorite TV shows, surfing the web for girl stuff like makeup and clothing and playing volleyball. "I am a normal girl," she told us. But, normal girls don't have tits like Oksana does. We asked her if she is the bustiest girl in her group of friends. "Oh, yeah. By a long shot," she laughed. "I get a lot of attention because of my boobs."

Oksana told us that she collects sex toys. "I love to masturbate, so I have a lot of toys for each of my holes. I love anal, so I have a bunch of plugs of different sizes and colors. For my pussy, I love vibrators. I love clit play the most."

"I like to go to a movie or a cozy cafe on a date. I love flowers very much, and when a man gives them to me on a date, I rejoice like a child. I love surprises, and when a man comes up with something fun and exciting to do on a date, he wins points with me. But not enough points to earn the right to jump into bed right away! I need a good emotional relationship before I have sex."



### Private dancer.

"I used to dance a lot. Before my boobs started growing, I was in a very competitive ballet and dance program. I'm still very flexible and limber. I like to dance naked for my boyfriends because it's fun and good practice for me."

# Emily

*Mt. Pleasant, Michigan*

Emily's boyfriend said that Emily was the one who proposed going for a long drive. It was his idea to bring along the camera, though. "He had just taken naked photos of me a couple of days before we shot these road trip pictures," Emily told us. "So the idea of shooting nudes was still fresh on our minds. My boyfriend suggested that I show him what I had on under my dress. He didn't know that I wasn't wearing panties!"

Emily says she's an amazing chef and can play the piano like a pro. "My ideal date would be a low-key event at home. I'd probably cook something light like salmon or something vegetarian. Then maybe we could make music together–just mess around on the keyboard or guitar. Then, some light making out or oral or something. That's why I don't like heavy foods on a date. You don't wanna be bogged down!"

She's so adventurous.

"My boyfriend joked around that he was going to send these photos to you guys. We laughed about it, and he thought I was kidding when I said, 'go for it!' But, I think it's kinda fun and hot. I've always wanted to be a model."

holding ejaculation release. The disposable patch will be available in two intensities, high and low, depending on how much help the user requires. The Virility Patch has already been approved by the FDA in the United States and CE-marked in Europe. It will be available late 2022. Virility Medical Ltd. has another patch that will communicate with smartphones for more customization, which is similar to a competing company's orgasm-control patch.

Morari, a company based in the United States, is another sexual wellness company that is focused on helping men with premature ejaculation. Already featured in Men's Health Magazine, Forbes Magazine and on an amusing bit on Jimmy Kimmel Live! in which the host suggested his sidekick Guillermo could use some help in the bedroom, the company looks

forward to a 2023 launch. The patch, known as "Mor," uses neuromodulation to disrupt the nerve signal between the user's brain and his penis. Like the Virility Patch, it is worn on the perineum between the testicles and the anus. The patch connects to the user's cell phone via Bluetooth technology and can be controlled on either Android or iOS operating systems. For more information, visit Morarimedical.com.

Finally, MYHIXEL, a Spanish start-up company, is taking a different approach toward helping men with premature ejaculation. Instead of zapping its users to control the muscles responsible for controlling orgasms, MYHIXEL is taking a cognitive-behavioral route. That means that users can use a sex toy (the MYHIXEL MED model) and an accompanying app to document their orgasm patterns and eventually retrain themselves on how to gain control. The MYHIXEL Med package is designed for men who have suffered from premature ejaculation for their entire lives and who usually orgasm within three minutes of stimulation. It boasts that their device can help make sexual encounters last up to seven times longer. The package includes a sex toy that looks like a high-end pocket pussy complete with a heater and vibration functions, an app with helpful coaching techniques and metrics and a free consultation with a sexual health expert. The device has been endorsed by urologists and sex therapists, and is FDA-approved and CE-marked as a medical device. MYHIXEL has another device that helps men who have difficulty reaching orgasm, too. That device (the MYHIXEL TR model) teaches men to control when they have an orgasm. Visit www.MYHIXEL.com for more information.

We're excited to see how these new products positively affect men's sex lives. We're sure there will be a lot more satisfied wives and lovers in the world if these tools become mainstream.

## River

*Fairhope, Alabama*

River exposed her perfect body outdoors in our last issue. She's back, and this time she's taking a cock on-camera for the whole world to see. "I'm dying for a lay," River told our photographer when she showed up for her photoshoot. "I woke up horny as hell and started to masturbate, but then I remembered I was gonna fuck later, so I stopped."

"I'm a hippie at heart," River declared. "I believe in free love and acceptance and all of that good stuff…especially the free love. Why tie yourself down to just one person when you can explore and experience everything that life offers? I need variety in my life: a variety of cocks, pussies, or whatever else there is."

"Your stud has a big dick, but it isn't the biggest I've ever had. That's not a knock on him! I've just had some experiences in my past with real meaty guys. One dude was almost too big. He asked for a blowjob, and I tried, but I couldn't even get my lips around the head. I ended up asking if he'd fuck me instead. I had to feel him inside me."

Gather 'round River.

"My biggest fantasy would be an orgy at a music festival. Like, a band is playing on stage and everybody is on blankets, jamming and fucking everybody else. It would be a pile of men and women, and I'd be right in the middle."
